

# ISSUE 5: EMERGENCY OPERATING LEVY

## CRITICAL FOR WOODRIDGE SCHOOLS

### Cost Savings Through Middle School Building Pay Off

On May 8, the Woodridge Local School District will have an 8.19 mill operating levy on the ballot. The funds generated from the levy are **critical** for Woodridge to maintain educational programs and services for our students while remaining out of debt.

**While the operating levy is a new tax, residents will see a tax savings of \$68.29\* annually when the middle school bond is paid off in 2019.**

\*All numbers are based on a \$100,000 home.
